"SUMMER SLIDE"

Without daily reading practice, children can lose up to three months of literacy skills over the summer. If they read over 20 minutes a day, it can significantly boost vocabulary and prevent learning loss.

NEW PRIZE SYSTEM

Young Adult and Juvenile:

Track your minutes to reach artifact, fossil and discovery milestones to win tiered prizes!

Adults: Turn in the number of books read each week to receive a prize!

Summer Reading Unearthed Champions

Track your reading and score the chance to pick a book for our collection, with your name on it.

Get involved and help shape our library!
